MEMORANDUM FOR: Chief, Information Services Group, Central
Reference Service

SUBJECT: Referral System

1. The Office of Basic and Geographic Intelligence contacts for the Referral System are attached. Initial contact with the branch chief of the specific geographic area will assure the requester of most expeditious response; it will also provide the branch with the opportunity for administrative review of the incoming requests. The branch chief can direct the requester to the analyst best qualified to help and can suggest an alternate when the principal analyst is not available.

2. Maps indicating the areal responsibilities of each branch in the Geography and Cartography Divisions are attached.
